

JWMI EXECUTIVE CERTIFICATES

Upgrade your skills.
Earn a game-changing resume credential.

Whether a new or experienced manager, continuous professional development opportunities are a necessity in business as you look to stand apart and grow in your career.

The Jack Welch Management Institute's Executive Certificate programs, personally developed by Jack Welch and a team of renowned business scholars, are designed to equip you with the management skills you need to think smarter, act faster, and win in the workplace. Swiftly broaden your perspectives and obtain the kind of fast, powerful, credential that will set you and your resume apart from your peers.

Current managers and high potentials who are working in, or aspiring toward, leadership roles will benefit from any one of the following intensive six-week certificate programs:

LEADERSHIP

Leaders aren't born; they're made. In this course, you will learn how to hire, motivate, coach and inspire with confidence, avoiding the common mistakes made by most managers, ultimately mastering the art of leadership for today and tomorrow.

STRATEGY

Knowing how to lead is essential to success. But, no organization can win without the right strategy to guide its decisions and actions. In this course, you'll learn Jack Welch's renowned "5 slide approach" on how to assess market dynamics, analyze sources of growth and build sustainable competitive advantage as you add valuable skills to your strategic toolbox.

BUSINESS COMMUNICATIONS

Learn to inform, persuade and engage for maximum impact. With a focus on the management of people and organizations, you will study techniques to improve verbal and written communication, with an emphasis on the importance of candor and transparency—two skills that are critical to winning.

FINANCE

Effective financial decisions are the lifeblood of any company. This course will expose you to the principles of corporate finance as you learn the fundamental techniques needed to build a business case, manage costs and implement financial controls.
